

DRIVE DON'T FLY

You should be Mister Late,
You shouldn't be Late Mister.

-I reckon don't drink and drive.
because we way kill persons.

-As far a I am concerned we don't
phone when we drive because it's
a distraction and it's illegal.

-I believe when we go to the party
and we drink alcohol we must sleep
there because it's dangerous to take
the car.

In your car you:

- must wear your seatbelt.
- should respect a traffic light.
- can smoke cigarette.
- may sing.
- mustn't smoke drugs.
- shouldn't dance.
- can't phone.
- must look your MIRRORS.
- mustn't injure.

If you don't respect this, you can
cause a dangerous car crash!!
